After completing eight years on the Board of a PVB the person may be considered for re-appointment only after a minimum gap of three years. This will not preclude them from being appointed as a director in another bank subject to meeting the requirements.

45. A PVB shall obtain from a director:

- (ii) a simple declaration as on March 31 every year to the effect that the information already provided by such person has not undergone any change;

Provided that, where there is change in the information provided earlier, the PVB shall obtain requisite details from the director/s forthwith.

An annual certificate of the PVB having undertaken such continuing due diligence shall be submitted to RBI.

B. MD&CEO / CEO, Part-time Chairman and Whole-time Directors

- 46. A PVB shall have a Part-time Chairman of the Board of Directors and a separate Chief Executive Officer / Managing Director / Managing Director & Chief Executive Officer (CEO / MD / MD&CEO) who shall be responsible for day-to-day management of the PVB.

49. No person shall continue as the MD&CEO / CEO or WTD of a PVB beyond the age of 70 years. Within the overall limit of 70 years, as part of its internal policy, an individual PVB's Board is free to prescribe a lower retirement age for the WTDs, including the MD&CEO / CEO.
50. A MD&CEO / CEO or WTD of a PVB who is also a promoter or major shareholder, shall not hold these posts for more than 12 years. However, in extraordinary circumstances, at the sole discretion of RBI, such an MD&CEO / CEO or WTD may be allowed to continue up to 15 years. While examining the matter of re-appointment of such MD&CEO / CEO or WTDs within the 12 / 15 years period, the level of progress and adherence to the milestones for dilution of promoters' shareholding in the PVB shall also be factored in by RBI.

C. Role of the Board and Individual Directors

51. A PVB shall conduct its affairs in such ways that it remains wholly solvent, adequately liquid and reasonably profitable. Additionally, it shall ensure that its Memorandum and the Articles of Association are in conformity with extant statutory and regulatory instructions.
52. The responsibilities of the Board of Directors of a Public Sector Bank (PSB) set out in paragraphs 8 to 11 of these Directions shall, *mutatis mutandis*, apply to the Board of a PVB. Therefore, the non-executive directors (NEDs) of a PVB shall address themselves to policy formulations, performance appraisal and proper arrangements for implementation of decisions of the Board and its Committees leaving the operational aspects to the care of MD&CEO / CEO and other executives. Some of the important areas on which the NEDs shall bestow particular attention are compliance with monetary and credit policy of RBI / Government, observance of Cash Reserve and Statutory Liquidity Ratio, efficient management of funds and profitability, overall sectional deployment of funds, performance budgeting, housekeeping particularly reconciliation of inter-office

accounts, customer service, vigilance, avoidance of frauds and development of a good system of management information and monitoring.

53. A NED of a PVB shall not only take interest in the PVB's work concerning their own fields of specialisation / activity but also deliberate on all matters of general policy affecting the PVB's functioning including those concerning the staff. In other words, every NED is expected to function in a manner most conducive to the interests of the depositors, of the shareholders and of the nation as a whole.
54. In the context of what has been stated hereinbefore, a NED, in the discharge of their duties, shall observe the following:
 - (i) a NED is not an employee of the PVB.
 - (ii) a NED as an individual, shall have no power to act on behalf of the PVB nor can they give any direction to the employees of the PVB on behalf of the management. A NED shall desist from sending any instructions to the individual officers on any matters and such cases, if any, shall be routed through the MD&CEO / CEO of the PVB. Further, if any information is required for the purpose of taking a decision or reviewing the situation at the Board level, it shall be sought from the management.
 - (iii) unless specifically authorised by a Board resolution, a NED shall exercise power only as a member of a collective body, sitting along with others on the Board of Directors. An individual director or a Committee of the Board may be authorised by the Board to finally decide any matter or make recommendations thereon to the Board.
 - (iv) a NED shall act with the amount of care and prudence which an ordinary person is expected to take in their own business.
 - (v) a NED who is directly or indirectly concerned or interested in any contract, loan, arrangement or proposal entered into or proposed to be entered by or on behalf of the banking company shall, as soon as possible after the relevant circumstances have come to their knowledge, disclose the nature of their interest to the Board when any such contract, loan, arrangement or proposal is discussed. Unless their presence is required by the other directors for the purpose of eliciting information, no NED, so required to

be present, shall vote on any such contract, loan, arrangement or proposal.

- (vi) a NED shall not sponsor any individual proposal, nor shall they approach directly the Branch Managers to sanction loans or other facilities to any constituent. While sanction of individual loan application, determining credit worthiness etc. shall be the job of the technical experts i.e. the bank executives, in examining individual credit proposals, a NED shall carefully analyse the state of health of the concerned units by observing the cash flow position and appropriate action taken to ensure that the position of the unit does not deteriorate and the funds get locked up.
- (vii) a NED shall not sponsor individual cases of employees or officers regarding their recruitment, transfers, promotions, postings and other related matters. If they have any specific complaint against an individual employee they shall be taken up and brought to the notice of the MD&CEO / CEO and not any officer below them.
- (viii) a PVB and its directors, officers, etc. shall observe, except as otherwise required by law, the practices and usages customary among bankers, and in particular, not divulge any information relating to or to the affairs of its constituents except in circumstances in which it is, in accordance with law or practices and usages customary among bankers, necessary or appropriate for the banking company to divulge such information.

55. A NED on the Board of a PVB shall perform their role in such a manner as to assist the Chairman and strengthen the management to bring about qualitative and quantitative improvement in the working of the PVB. 56. MD&CEO / CEO / WTDs shall exercise such powers and discharge such duties as may be delegated to them by the Board. They are charged with the responsibility of efficient management of the bank on behalf of the Board. It is through them that the programmes, policies and decisions approved by the Board are made effective and again it is through them that the Board gets the responses and reactions of those at various levels of the organisations to its deliberations. It is they who interpret the policy decided upon by the Board to the employees of

the PVB and issue instructions in pursuance of the Board's policies and ensure that these instructions are carried out.

D. Board Structure and Practices

57. The provisions pertaining to Board Structure and Practices for a PSB as specified in paragraphs 12 to 19 of these Directions shall, *mutatis mutandis*, apply to a PVB.

E. Committees of the Board

58. The provisions relating to the constitution, composition, responsibilities, and functioning of the ACB, RMCB and NRC of a PSB, as specified in paragraphs 20, 21 and 22 respectively of these Directions, shall apply *mutatis mutandis* to a PVB except restriction contained in clause (2) of paragraph 22, pertaining to Government-nominated directors, which is not applicable to PVBs.

F. Appointment of Chief Risk Officer

59. The provisions relating to Chief Risk Officer (CRO) of a PSB, as set out in paragraphs 29 to 33 of these Directions, shall, *mutatis mutandis*, apply to a PVB.

G. Appointment of Chief Financial Officer and Chief Technical Officer

60. The provisions relating to the minimum qualifications and experience of a CFO and CTO applicable to a PSB, as set out in paragraph 36 of these Directions, shall, *mutatis mutandis*, apply to a PVB.

H. Remuneration of NEDs, WTDs, MD&CEO / CEO, Material Risk Takers, and Control Function staff

61. A PVB may pay its NEDs remuneration in the form of:

- (i) sitting fees and travelling / halting allowance i.e. expenses related to attending meetings of the Board and its committees which shall be fixed with the approval of the Board subject to compliance with the extant statutory provisions. It is clarified that a PVB need not approach RBI for approval under Section 35B of the Banking Regulation Act, 1949 in this regard; and
- (ii) fixed remuneration not exceeding ₹30 lakh per annum for an NED, other than the Chair of the Board. For this purpose, the PVB shall set suitable criteria, such that the fixed remuneration is commensurate with an

individual director's responsibilities and demands on time and are considered sufficient to attract qualified competent individuals.

Explanation: The Board of a PVB may fix a lower amount within the ceiling limit of ₹30 lakh per annum depending upon the size of the PVB, experience of the NED and other relevant factors.

62. A PVB's compensation policies and practices in respect of WTDs, MD&CEO / CEO, Material Risk Takers (MRTs), and Control Function staff shall be in accordance with the Guidelines set out in paragraph 63, and the Basel Committee on Banking Supervision (BCBS) Methodologies detailed in paragraph 64 of these Directions.
63. **Guidelines**: a PVB shall implement necessary policies or systems to ensure adherence to the guidelines delineated below which are based on the [FSB Principles for Sound Compensation Practices](#) and their [Implementation Standards](#), as well as current statutory and regulatory framework in India.

(1) **Guideline 1: Compensation Policy**

A PVB shall formulate and adopt a comprehensive compensation policy covering all its employees and conduct annual review thereof. The policy shall cover all aspects of the compensation structure such as fixed pay, perquisites, performance bonus, guaranteed bonus (joining / sign-on bonus), severance package, share-linked instruments e.g. Employee Stock Option Plan (ESOPs), pension plan, gratuity, etc., taking into account these Guidelines.

(2) **Guideline 2: NRC**

The NRC of the Board of a PVB shall oversee the framing, review and implementation of compensation policy of the PVB on behalf of the Board. The NRC shall work in close coordination with RMCB, to achieve effective alignment between compensation and risks. The NRC shall also ensure that the cost/income ratio of the PVB supports the compensation package consistent with maintenance of sound capital adequacy ratio.

(3) **Guideline 3: For WTDs / MD&CEO / CEO / MRTs**

A PVB shall ensure that for the WTDs / MD&CEO / CEO / MRTs:

- (i) compensation is adjusted for all types of risks,

- (ii) compensation outcomes are symmetric with risk outcomes,
- (iii) compensation payouts are sensitive to the time horizon of the risks, and
- (iv) the mix of cash, equity and other forms of compensation are consistent with risk alignment.

A wide variety of measures of credit, market, liquidity and various other risks shall be used by a PVB in implementation of risk adjustment. The risk adjustment methods may preferably have both quantitative and judgmental elements. The compensation shall also be in compliance with all statutory requirements.

The compensation structure for the WTDs / MD&CEO / CEO / MRTs of a PVB shall be as under:

- (i) **Fixed Pay and Perquisites:** A PVB shall ensure that the fixed portion of compensation is reasonable, taking into account all relevant factors including adherence to statutory requirements and industry practice. All the fixed items of compensation, including the perquisites, shall be treated as part of fixed pay. It may be noted that all perquisites that are reimbursable shall also be included in the fixed pay so long as there are monetary ceilings on these reimbursements. Contributions towards superannuation / retiral benefits shall be treated as part of fixed pay.
- (ii) **Variable Pay**
 - (a) **Composition of Variable Pay:** The variable pay may be in the form of share-linked instruments [including Cash-linked Stock Appreciation Rights (CSARs)], or a mix of cash and share-linked instruments. There shall be proper balance between the cash and share-linked components in the variable pay. Only in cases where the compensation by way of share-linked instruments is not permitted by law / regulations, the entire variable pay may be in cash.
 - (b) **Limit on Variable Pay:** It shall be ensured that there is a proper balance between fixed pay and variable pay. In this respect, the PVB shall ensure that:

- i. In accordance with FSB Implementation Standards, read with sub-point (iv) of this subparagraph and BCBS stipulation furnished in paragraph 64(i), a substantial proportion of compensation i.e., at least 50 per cent, shall be variable and paid on the basis of individual, business-unit and firm-wide measures that adequately measure performance, except in cases mentioned in sub-point (iii) of this subparagraph and guideline (4). At higher levels of responsibility, the proportion of variable pay shall be higher. The total variable pay shall be limited to a maximum of 300 per cent of the fixed pay (for the relative performance measurement period).
- ii. In case variable pay is up to 200 per cent of the fixed pay, a minimum of 50 per cent of the variable pay; and in case variable pay is above 200 per cent, a minimum of 67 per cent of the variable pay shall be via non-cash instruments.
- iii. In the event that an executive is barred by statute or regulation from grant of share-linked instruments, their variable pay shall be capped at 150 per cent of the fixed pay, but shall not be less than 50 per cent of the fixed pay.
- iv. The deterioration in the financial performance of the PVB shall generally lead to a contraction in the total amount of variable compensation, which may even be reduced to zero.

(c) Deferral of Variable Pay:

- i. For senior executives, including WTDs, and other employees who are MRTs (see guideline (6) below), in adherence to FSB Implementation Standards, deferral arrangements shall invariably exist for the variable pay, regardless of the quantum of pay. For such executives of a PVB, a minimum of 60 per cent of the total variable pay shall be under deferral arrangements. Further, if cash component is part of variable pay, at least 50 per cent of the cash bonus shall also be deferred.

- ii. However, in cases where the cash component of variable pay is under ₹25 lakh, deferral requirements may not be necessary.
- (d) Period of Deferral Arrangement: The deferral period shall be a minimum of three years. This shall be applicable to both the cash and non-cash components of the variable pay.
- (e) Vesting: Deferred remuneration shall either vest fully at the end of the deferral period or be spread out over the course of the deferral period. The first such vesting shall not be before one year from the commencement of the deferral period. The vesting shall be no faster than pro rata arrived on a cumulative basis. Additionally, vesting shall not take place more frequently than on a yearly basis to ensure a proper assessment of risks before the application of ex post adjustments.

Explanation: ‘No faster than pro rata basis’ means vesting shall not be frontloaded. In other words, if the deferral arrangement is three years, not more than 33.33 per cent of the total granted ESOPs should vest at the end of first year. Further, not more than 66.67 per cent of total granted ESOPs should vest at the end of second year.
- (f) Share-linked Instruments: Such instruments shall be included as a component of variable pay. Norms for grant of share-linked instruments shall be framed by a PVB in conformity with relevant statutory provisions and should form part of the PVB’s compensation policy. The details of share-linked instruments granted shall also be disclosed in terms of the disclosure requirements stipulated in the [Reserve Bank of India \(Commercial Banks: Financial Statements - Presentation and Disclosures\) Directions, 2025](#). Share-linked instruments shall be fair valued on the date of grant by the PVB using Black-Scholes model. The fair value thus arrived at shall be recognised as an expense beginning with the accounting period for which approval has been granted.
- (g) Malus / Clawback

- i. The deferred compensation shall be subject to malus / clawback arrangements in the event of subdued or negative financial performance of the PVB and / or the relevant line of business in any year.
 - ii. A PVB shall put in place appropriate modalities to incorporate malus / clawback mechanism in respect of variable pay, taking into account [Supplementary Guidance](#) issued by FSB in March 2018 on use of compensation tools to address misconduct risk, and all relevant statutory and regulatory stipulations, as applicable. A PVB shall identify a representative set of situations in their Compensation Policies, which require it to invoke the malus and clawback clauses that may be applicable on entire variable pay. When setting criteria for the application of malus and clawback, a PVB shall also specify a period during which malus and / or clawback can be applied, covering at least deferral and retention periods.
 - iii. Wherever the assessed divergence in PVB's provisioning for Non-Performing Assets (NPAs) or asset classification exceeds the prescribed threshold for public disclosure in terms of [Reserve Bank of India \(Commercial Banks: Financial Statements - Presentation and Disclosures\) Directions, 2025](#), a PVB shall not pay the unvested portion of the variable compensation for the assessment year under 'malus' clause. Further, in such situations, no proposal for increase in variable pay (for the assessment year) shall be entertained. In case the PVB's post assessment Gross NPAs are less than 2.0 per cent, these restrictions shall apply only if criteria for public disclosure are triggered either on account of divergence in provisioning or both provisioning and asset classification.
- (h) Guaranteed Bonus: Guaranteed bonus is not consistent with sound risk management or the 'pay for performance' principles and shall not be part of the compensation plan. Therefore, guaranteed bonus shall only occur in the context of hiring new staff

as joining / sign-on bonus and be limited to the first year. Further, joining / sign-on bonus shall be in the form of share-linked instruments only, since upfront payments in cash would create perverse incentives. Such bonus will neither be considered part of fixed pay nor part of variable pay. Further, a PVB shall not grant severance pay other than accrued benefits (gratuity, pension, etc.) except in cases where it is mandatory under any statute.

- (i) Hedging: A PVB shall not permit employees to insure or hedge their compensation structure to offset the risk alignment effects embedded in their compensation arrangement. To enforce the same, a PVB shall establish appropriate compliance arrangements.

(4) Guideline 4: For risk control and compliance staff

Members of staff engaged in financial and risk control, including internal audit, shall be compensated in a manner that is independent of the business areas they oversee and commensurate with their key role in the PVB. Effective independence and appropriate authority of such staff are necessary to preserve the integrity of financial and risk management's influence on incentive compensation. Back office and employees in the risk control function play a key role in ensuring the integrity of risk measures. If their own compensation is significantly affected by short-term measures, their independence may be compromised. If their compensation is too low, the quality of such employees may be insufficient for their tasks and their authority may be undermined. The mix of fixed and variable compensation for control function personnel shall be weighted in favour of fixed compensation. Therefore, the requirement of minimum 50 per cent of total compensation to be paid in the form of variable pay shall not be applicable for this category of staff. However, a reasonable proportion of compensation shall be in the form of variable pay, so that exercising the options of malus and / or clawback, when warranted, is not rendered infructuous. Subject to the above, while devising compensation structure for such staff, a PVB shall adopt principles similar to principles enunciated for WTDs / MD&CEO / CEO, as appropriate.

(5) Guideline 5: For other categories of staff

While these Guidelines do not apply to PVB's staff other than WTDs / MD&CEO / CEO / MRTs and Control Function Staff, a PVB may adopt similar principles, with suitable modifications, as appropriate for them as well.

(6) **Guideline 6: Identification of MRTs of the PVB**

A PVB shall identify its MRTs whose actions have a material impact on the risk exposure of the PVB, and who satisfy the qualitative and any one of the quantitative criteria given below:

- (i) Standard Qualitative criteria: Relate to the role and decision-making power of staff members (e.g., senior manager, member of management body) having jointly or individually, the authority to commit significantly to risk exposures, etc.
- (ii) Standard Quantitative Criteria:
 - (a) Their total remuneration exceeds a certain threshold; the determination of which may be done prudently by the PVB, or
 - (b) They are included among the 0.3 per cent of staff with the highest remuneration in the PVB, or
 - (c) Their remuneration is equal to or greater than the lowest total remuneration of senior management and other risk-takers.

A PVB shall refer to the BCBS report titled '[Range of Methodologies for Risk and Performance Alignment of Remuneration](#)' published in May 2011 to enhance its understanding of risk-adjusted remuneration.

(7) **Guideline 7: Disclosure**

A PVB shall make disclosure on remuneration of WTDs / MD&CEO / CEO / MRTs on an annual basis at the minimum, in their Annual Financial Statements as prescribed in [Reserve Bank of India \(Commercial Banks: Financial Statements – Presentation and Disclosures\) Directions, 2025](#), as amended from time to time.

- (8) The aforementioned guidelines cover the principles of effective governance of compensation (Guidelines 1 and 2) and effective alignment of compensation with prudent risk taking (Guidelines 3 to 7). With respect to the principle of regulatory and supervisory approval / oversight, it is reiterated that:

- (i) in terms of the Section 10(1)(b)(iii) of the B.R. Act, 1949, no banking company shall employ or continue the employment of any person whose remuneration is, in the opinion of RBI, excessive;
- (ii) a PVB operating in India is required to obtain regulatory approval for grant of remuneration to WTDs / MD&CEO / CEO in terms of Section 35B of the B.R. Act, 1949; and
- (iii) a PVB's compensation policy shall also be subject to supervisory oversight including review under Basel framework. Deficiencies observed in this regard shall have the effect of increasing the risk profile of the PVB with attendant consequences, including a requirement of additional capital if the deficiencies are very significant.

64. **BCBS Methodologies for risk and performance alignment of remuneration:**

The BCBS in consultation with the FSB had published a report in May 2011 titled '[Range of Methodologies for Risk and Performance Alignment of Remuneration](#)'.

The main objectives of the report are (a) to present certain remuneration practices and methodologies that support sound incentives; and (b) the elements influencing the effectiveness of risk alignment that should be considered by banks when developing their methodologies as well as by supervisors, when reviewing and assessing banks' practices; according to which:

- (i) A PVB shall ensure that the variable part of remuneration is truly and effectively variable and may even be reduced to zero, in line with the symmetry principle defined by the FSB. A PVB shall be able to demonstrate to supervisors that the methodologies used to adjust variable remuneration to risk and performance are appropriate to its specific circumstances;
- (ii) The methodologies adopted by a PVB for aligning remuneration with risk and performance shall be consistent with its general risk management and corporate governance framework.
- (iii) Performance measures and their relation to remuneration packages shall be clearly defined at the beginning of the performance measurement period to ensure that the employees of a PVB perceive the incentive mechanism. The usual annual determination of bonus shall be based on

rules, processes and objectives known in advance, although some degree of discretion may be retained.

- (iv) A PVB shall use a combination of financial and non-financial measures to assess employee performance and adapt the measurement to each employee's specific situation. Qualitative factors viz., knowledge, skills and abilities may be considered, particularly where these serve to reinforce the PVB's risk management goals.
- (v) The nature and extent to which risk adjustments are needed in remuneration shall depend on the extent to which performance measures capture risks. In all cases, risk adjustment shall be made, given that remuneration is often awarded before the final outcome of an activity is known. A PVB shall estimate risks *ex ante* and monitor outcomes *ex post*, with both influencing the final payouts.
- (vi) Risk adjustments shall take into account the nature of the risks involved and the time horizons over which they may emerge. The impact of remuneration adjustments shall be linked to actions taken by employees and / or business units, and their impact on the level of risk taken on by the PVB.
- (vii) A PVB shall carefully consider the nature of the award process, which links the variable remuneration of each individual employee with bonus pools and the total amount of variable remuneration at a PVB's level, as it directly influences how and when performance and risk adjustment are or may be used.

I. Regulatory approvals and Reporting

- 65. A PVB shall seek prior approval of RBI for the following purposes by submitting corresponding information and documents through the *Pravaah* Portal (<https://pravaah.rbi.org.in>):
 - (i) Amendment of a provision relating to the appointment or re-appointment or termination of appointment or remuneration of MD&CEO / CEO or any other Director - Form 'A' in [Annex III](#).

- (ii) Appointment or re-appointment of Chairman or WTD or MD&CEO / CEO (by whatever name called) - Form 'B' in Annex IV along with 'Declaration and Undertaking' from candidate(s), and the remarks of NRC of having satisfied itself that the information is true and complete.

Provided that,

- (a) A proposal for appointment of a new MD&CEO / CEO shall invariably contain a panel of at least two names in the order of preference and shall be submitted to RBI at least four months before the expiry of the term of office of the present incumbent.
- (b) A proposal for re-appointment of MD&CEO / CEO shall be submitted to RBI at least six months before the expiry of the term of office of the incumbent.
66. A PVB shall seek regulatory approval for grant of remuneration (i.e. compensation) to WTDs / MD&CEO / CEO in terms of Section 35B of the Banking Regulation Act, 1949. For this purpose, a PVB shall submit application through the *Pravaah* Portal (<https://pravaah.rbi.org.in>) in the format prescribed in Annex V.
